

Dirty Deed Done Dirt Cheap.

One time ago me have embarassing episode where Bigfoot have too much peach schnapps for breakfast and go a little loopy. So me maybe get a little naked and maybe get a little belligerent while swimming in dolphin pool at ritzy resort. Maybe I relieve self on dolphin in said pool. What big deal officer? That why pool have filter, that why pencil have eraser. Catch Bigfoot once, shame on Bigfoot, Catch Bigfoot twice, more shame on Bigfoot me guess. Whatever. So anyway big show trial happen, media have field day. I guilty before even started. John Walsh demand I get chair. Courtroom sketch artist make Bigfoot like antichrist. Such bullshit. Bigfoot convicted for indecent exposure even though Bigfoot no even normal wear clothes. Me get sentenced to community service. Bigfoot become guide dog for blind boy Darrell. We have more fun than barrel of monkeys.
